### Session Talk: The End of the Program

**The UMD ESOL Conversation Program ends the last week in November. This has been a great semester with more volunteer and student participation than ever!**

**Please use your last session to talk with your group or partner about lessons learned this semester and tips for practicing English outside the classroom. The last session is also a good time for students and volunteers to assess each other's strengths and weaknesses. Take fifteen minutes to write down and discuss assessments.**

**The volunteer/student end of session holiday party will be held in early December. Location and time to be announced soon. Thank you to all volunteers who have given their time and energy this semester; you are appreciated!**

**Thank you all for participating in the on-line survey!**

### Are You Cooking this Thanksgiving?

**Eating is the main event on Thanksgiving! To find yummy recipes for roast turkey with gravy, mashed potatoes, and apple crisp, see the Food Network's Thanksgiving website at: <http://www.foodnetwork.com/thanksgiving>.**
